INFORMATIONAL DISCLOSURE

Program: Computer Information Processing

Credential: Diploma

OPE-ID: 021066

This is a number assigned to the institution by the Department of Education as an identifier.

Location: Clifton, NJ

This information on the disclosure has been compiled using students from the above location(s).

CIP Code: 52.0401

This code is a government classification of the program above.

On-time completion: 40%

This is the percentage of students who graduated between July 1, 2009 – June 30, 2010 and completed the program within 100% of normal time. Normal time varies by program and is defined on the student Enrollment Agreement and Student Catalog. The remaining graduates not reflected in this rate took longer than the normal time to graduate.

Placement rate: 65%

Accrediting Council for Independent College and Schools (ACICS)

Required placement rate calculations: (July 2009- June 2010)

The above percentages are compiled as a net number of graduates placed in a related field per program. The total number of placed students within the timeframe above is divided by the total number of graduates in the same timeframe who were available for work.

Note: Students that are unavailable for work or considered waived are not calculated in the percentages.

SOC codes:	43.6011.00	Administrative Assistants
		http://www.onetonline.org/link/summary/43-6011.00
	43.6014.00	Secretaries
		http://www.onetonline.org/link/summary/43-6014.00
	43.4171.00	Receptionist and Information Clerks
		http://www.onetonline.org/link/summary/43-4171.00
	43.4051.00	Customer Service Representative
		http://www.onetonline.org/link/summary/43-4051.00

The above codes and descriptions represent typical occupations our graduates can obtain upon successful completion of the program.

Tuition Cost: \$9,775

Registration Fee: \$25

The above costs are the typical tuition and fees a student would pay to attend this program at the institution.

Median federal loan debt: \$0

The median federal loan debt is calculated by taking all graduates between July 1, 2009 – June 30th 2010 and determining the midpoint amount of all federal loans borrowed, including students who had no loans.

Median private loan debt: \$0

The median private loan debt is calculated by taking all graduates between July 1, 2009 – June 30th 2010 and determining the midpoint amount of all private loans received, the debt at the time of graduation for financing plans owed to the institution, and students who had no loans.

Median Institutional loan debt: \$0

The median institutional loan debt is calculated by taking all graduates between July 1, 2009 – June 30th 2010 and determining the midpoint amount of all debt the student owed directly to the school upon graduation, including students who had no debt to the institution.

Total Median loan debt: \$0

The total median loan debt is calculated by taking all graduates between July 1, 2009 – June 30th and determining the midpoint amount of total debt the student has accumulated by attending the program, including federal, private, and institutional loans.

INFORMATIONAL DISCLOSURE

Program: Diagnostic Medical Sonography

SOC codes: 43.6012.00 Legal Secretaries

<http://www.onetonline.org/link/summary/43-6012.00>

The above codes and descriptions represent typical occupations our graduates can obtain upon successful completion of the program.

Tuition Cost: No longer offered

The above costs are the typical tuition and fees a student would pay to attend this program at the institution.

Median federal loan debt: \$9,502

The median federal loan debt is calculated by taking all graduates between July 1, 2009 – June 30th 2010 and determining the midpoint amount of all federal loans borrowed, including students who had no loans.

Median private loan debt: \$0

The median private loan debt is calculated by taking all graduates between July 1, 2009 – June 30th 2010 and determining the midpoint amount of all private loans received, the debt at the time of graduation for financing plans owed to the institution, and students who had no loans.

Median Institutional loan debt: \$0

The median institutional loan debt is calculated by taking all graduates between July 1, 2009 – June 30th 2010 and determining the midpoint amount of all debt the student owed directly to the school upon graduation, including students who had no debt to the institution.

Total Median loan debt: \$9,502

The total median loan debt is calculated by taking all graduates between July 1, 2009 – June 30th and determining the midpoint amount of total debt the student has accumulated by attending the program, including federal, private, and institutional loans.

INFORMATIONAL DISCLOSURE

Program: Medical Assistant

Credential: Diploma

OPE-ID: 037063

This is a number assigned to the institution by the Department of Education as an identifier.

Location: Margate, FL
Lauderdale Lakes, FL – No longer offered

This information on the disclosure has been compiled using students from the above location(s).

CIP Code: 51.0801

This code is a government classification of the program above.

On-time completion: 53%

This is the percentage of students who graduated between July 1, 2009 – June 30, 2010 and completed the program within 100% of normal time. Normal time varies by program and is defined on the student Enrollment Agreement and Student Catalog. The remaining graduates not reflected in this rate took longer than the normal time to graduate.

Placement rate: 71%

Accrediting Commission of Career Schools and Colleges (ACCSC)

Shift: Day

Cohort period: June 2007 – May 2008

Required placement rate calculations:

The above percentages are compiled as a net number of graduates placed in a related field per program. The total number of placed students within the timeframe above is divided by the total number of graduates in the same timeframe who were available for work.

Note: Students that are unavailable for work or considered waived are not calculated in the percentages.

Placement rate: 72%

Accrediting Commission of Career Schools and Colleges (ACCSC)

Shift: Evening

Cohort period: January 2008 – December 2008

Required placement rate calculations:

The above percentages are compiled as a net number of graduates placed in a related field per program. The total number of placed students within the timeframe above is divided by the total number of graduates in the same timeframe who were available for work.

Note: Students that are unavailable for work or considered waived are not calculated in the percentages.

Placement rate: 59%

State of Florida required placement calculations: (July 2009- June 2010)

The above percentages are compiled as a net number of graduates placed in a related field per program. The total number of placed students within the timeframe above is divided by the total number of graduates in the same timeframe who were available for work.

Note: Students that are unavailable for work or considered waived are not calculated in the percentages.
